Dates:

5-09-19 to 10-09-19 any day according to the comfort of Project lab Faculty of the respective section.

Documents to be submitted:

1. Title of the Project
2. Abstract
3. Motivation
4. Introduction

Review-2

Dates:

1-10-19 to 4-10-19 any day according to the comfort of Project lab Faculty of the respective section.

Documents to be submitted:

In continuation to the review-1 data the following are need to be submitted.

1. Literature Review
2. Methodology
3. Dataset and its features
4. References

Students are advised to study standard papers from ACM, Springer and Elsevier while framing each section.

Points to be noted:

1. Every student should publish a paper in a renowned conference or Journal by the end of the final year.
2. Plagiarism should be taken care while preparing project documentation only.(This helps you to draft the paper easily)
3. Formats of PPT and Documentation will be attached shortly.
